

On Friday, October 2, members of the CLCA San Luis Obispo Chapter and their friends and colleagues gathered at Cypress Ridge Golf Course in Arroyo Grande for the chapter's annual benefit golf tournament. Proceeds from the event benefited Cal Poly Landscape Industry and Turf Student Scholarships and the San Luis Obispo Chapter of CLCA. The course, a Peter Jacobson Signature Golf Course rated 4 1/2 Stars by Golf Digest, did not disappoint, and the golfers all returned to the clubhouse at the end of the day with smiles and a few stories. A dinner and awards program capped off the day.

And Thanks to all the players and sponsors who helped make this such a successful event!
